

Coronavirus (COVID-19): Risk Assessment Action Plan for potential opening from 1st June 2020

for Holmer Lake Primary School reviewed daily and amendments sent to staff.

Assessment conducted by: Mr Griffiths/ Miss Cook/ Mrs Bishton	Job title: School Business Manager Newdale/ Executive Headteacher at Holmer Lake and Newdale/ Head of School at Holmer Lake	Covered by this assessment:
Date of assessment: 21.5.20	Date of next review: 3.6.20 if not sooner post opening	This document was written on 18 th May 2020 and you must ensure you are completing the newest format

The sole purpose of this risk assessment is to support schools in preparing for the possibility of providing some face-to-face contact with pupils in year groups **Reception, 1 and 6** **while reducing the risk of coronavirus transmission**. The risk assessment has been written in collaboration with a number of local authorities.

- For the purpose of this risk assessment, the term 'coronavirus' to refer to coronavirus disease 2019 (COVID-19).
- Schools must ensure that this risk assessment reflects the local setting and context of the school. Staff must be consulted with regard to this risk assessment.
- This risk assessment is not exhaustive and some of the controls will be dynamic. This is issued to schools as a template to assist in the production of a comprehensive document that covers the particular circumstance of the setting – **as such, the risks and risk controls should be deleted/amended/added-to to reflect the school.**
- This should be viewed alongside relevant advice and guidance from the Department of Education and reflect any additional subsequent guidance issued to schools.
- For further reference, <https://www.gov.uk/government/latest?departments%5B%5D=department-for-education>, including the documents below, issued on the 11 May 2020:
 - [Coronavirus \(COVID-19\): guidance for schools and other educational settings](#)
 - [Details on phased wider opening of schools, colleges and nurseries](#)
 - [Coronavirus \(COVID-19\): implementing protective measures in education and childcare settings](#)
 - [Actions for educational and childcare settings to prepare for wider opening from 1 June 2020](#)
 - [What parents and carers need to know about schools and other education settings during the coronavirus outbreak](#)
 - [Opening schools for more children and young people: initial planning framework for schools in England \(updated 12 May \)](#)

Key:	
Level of risk prior to control	Identifies the risk before any steps to reduce the risk have been taken
Risk Description:	Outlines the area of concern. This list is not exhaustive, and schools should add/amend/delete where appropriate e.g. risks for pupils with complex needs.
Risk Controls:	The measures that will be taken to minimise the risk. These are generic and should be adapted for the school context.
Impact:	Could be L/M/H or numeric, depending on what is used in the school setting.
Likelihood:	Could be L/M/H or numeric, depending on what is used in the school setting. NB IF IMPACT AND LIKELIHOOD ARE BOTH HIGH, THEN THE ACTIVITY SHOULD BE STOPPED UNTIL ADDITIONAL CONTROL MEASURES ARE PUT IN PLACE.
Responsible person:	<p>The identified staff member(s) responsible for implementing the risk controls</p> <p>Head of school Sign <i>m. Bilton</i> Date: 26/5/20</p> <p>Chair of Governors sign <i>D. Davidson</i> Date: 26/5/20</p>
Completion Date:	The date by which required plans for controls will be in place. To support planning, identify which controls need to be in place before pupils return to the setting. Individual schools can then personalise to their own setting.
Line Manager Check:	Sign off to ensure that the risk has been minimised as far as possible.

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
The school lapses in following national guidelines and advice, putting everyone at risk		<p>To ensure that all relevant guidance is followed and communicated:</p> <ul style="list-style-type: none"> The school to keep up-to-date with advice issued by, but not limited to, DfE, NHS, Department of Health and Social Care, PHE, Telford & Wrekin Council advice and review its risk assessment accordingly Information on the school website is updated. Pupils updated via classrooms/email/text as necessary. Any change in information to be shared with Chair of Governors, consulted with employees directly, or through a safety representative that is either elected by the workforce or appointed by trade union and passed on to parents and staff by email <p>As a result, the school has the most recent information from the government, and this is distributed throughout the school community.</p>	<u>L</u>	<u>L</u>	<u>Miss Cook / Mrs Bishton / Mrs Churm</u>	<u>Ongoing</u>	
Poor communication with parents and other stakeholders		<ul style="list-style-type: none"> All staff/pupils aware of current actions and requirements and reminded frequently using school communication systems Head teacher to share risk assessment with all staff Parents notified of risk assessment plan and shared with parents via website. <p>As a result, all pupils and all staff working with pupils are adhering to current advice.</p>	<u>L</u>	<u>L</u>	<u>Mrs Bishton</u>	<u>As reviews occur, information to be shared immediately if anything has changed.</u>	

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
Lack of awareness of policies and procedures		<ul style="list-style-type: none"> School leaders will ensure that all policies impacted on by coronavirus controls are updated All staff, pupils and volunteers will make themselves aware of all relevant policies and procedures including, but not limited to, the following: <ul style="list-style-type: none"> ➤ Health and Safety Policy ➤ Infection Control Policy ➤ First Aid Policy ➤ Intimate care policy ➤ Behaviour policy ➤ Business Continuity/Resilience All staff have regard to all relevant guidance and legislation including, but not limited to, the following: <ul style="list-style-type: none"> ➤ The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 2013 ➤ The Health Protection (Notification) Regulations 2010 ➤ Public Health England (PHE) (2017) 'Health protection in schools and other childcare facilities' ➤ DfE and PHE (2020) 'COVID-19: guidance for educational settings' The relevant staff receive any necessary training that helps minimise the spread of infection, e.g. infection control training. A comprehensive and current list of key staff members available each day Staff are made aware of the school's infection control procedures in relation to coronavirus via email 	<u>L</u>	<u>L</u>	<u>Miss Cook / Mrs Bishton / Mrs Churm</u>		

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<ul style="list-style-type: none"> Parents are made aware of the school's infection control procedures in relation to coronavirus via letter/social media/poster at entrance to school – they are informed that they must contact the school as soon as possible if they believe their child has been exposed to coronavirus Pupils are made aware of the school's infection control procedures in relation to coronavirus via a coordinated programme of delivery from staff on the morning of the 1 June 2020. All are informed that they must tell a member of staff if they begin to feel unwell Daily electronic briefing issued to staff. <p>As a result, all staff and pupils are aware of the policies and procedures in place to keep themselves safe in school.</p>					
High risk individuals		<ul style="list-style-type: none"> Risk assessment to be completed for staff in high risk category exposure to Coronavirus (COVID – 19) 	<u>L</u> (These staff are not in school)	<u>L</u>	<u>Mrs Bishton</u>	<u>To be completed if these staff return to school.</u>	
Vulnerable staff and pupils		<ul style="list-style-type: none"> children, young people and staff who have been classed as <u>clinically extremely vulnerable due to pre-existing medical conditions</u> have been advised to shield. We do not expect people in this category to be attending school or college, and they should continue to be supported to learn or work at home as much as possible. Clinically vulnerable (but not clinically 	<u>L</u> (These staff are not in school)	<u>L</u>	<u>Mrs Bishton</u>	<u>To be completed if these staff return to school.</u>	

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<p>extremely vulnerable) people are those considered to be at a higher risk of severe illness from coronavirus.</p> <ul style="list-style-type: none"> a child/young person or a member of staff who lives with someone who is clinically vulnerable (but not clinically extremely vulnerable), including those who are pregnant, can attend their education or childcare setting if a child/young person or staff member lives in a household with someone who is extremely clinically vulnerable, as set out in the <u>guidance on shielding</u>, it is advised they only attend an education or childcare setting if stringent social distancing can be adhered to and, in the case of children, if they are able to understand and follow those instructions. This may not be possible for very young children and older children without the capacity to adhere to the instructions on social distancing. If stringent social distancing cannot be adhered to, we do not expect those individuals to attend. They should be supported to learn or work at home staff and children or young people should not attend if they have symptoms or are self-isolating due to symptoms in their household protective measures will be put in place for staff and pupils, as far as is possible, to ensure that the risk of transmission is reduced 					
Poor hygiene practice in school - General	•	<ul style="list-style-type: none"> Posters are displayed at the entrance to the school, around school and in every classroom reminding staff, pupils, parents and visitors of the hygiene 	<u>L</u>	<u>L</u>	<u>Mrs Bishton</u> <u>/ Mrs Churm</u> <u>/ Mr Towns/</u>		

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<p>practice required in school (e.g. washing hands before entering and leaving school)</p> <ul style="list-style-type: none"> Pupils to wash their hands with soap before and after break times and lunchtimes for no less than 20 seconds School to use the E-Bug material Teachers to reiterate key messages in class-time (when directed) to pupils to: <ul style="list-style-type: none"> Cover coughs and sneezes with a tissue, To throw all tissues in a bin To avoid touching eyes, nose and mouth with unwashed hands. Additional alcohol-based sanitiser (that contains no less than 60 percent alcohol) and tissues to be provided for the school reception area, dining hall, classrooms and other key locations for staff, pupils and visitors Infection control procedures are adhered to as far as possible in accordance with the DfE and PHE's guidance Sufficient amounts of soap (or hand sanitiser where applicable), clean water, paper towels and waste disposal bins are supplied in all toilets and kitchen areas Hand washing facilities are supervised by staff when pupils are washing their hands to avoid overcrowding in hand washing areas 	<u>Some pupils will be M</u>	<u>M for pupils who refuse to wash their hands, parents will be called to assist and until such time, pupils will not be permitted to mix with their bubble.</u>	<u>Mrs Watson/ All staff in school</u>		

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<ul style="list-style-type: none"> Pupils and staff do not share cutlery, cups or food. Staff to bring in their own cups and utensils All utensils are thoroughly cleaned before and after use School staff will volunteer to carry out additional cleaning. Door handles, doors and toilets are cleaned during the day at regular intervals and paper/hand towels are checked and refilled regularly. Follow T&W cleaning in school guidance <p>As a result, all pupils and staff are adhering to high standards of hygiene to minimise risk of transmission.</p>					
Poor hygiene practice – specific – school entrance		<ul style="list-style-type: none"> Clear signage in place regarding social distancing Barriers/screens to be used by reception staff when dealing with parents/visitors/contractors Remove screen signing system, receptionist to have a written log of visitors/contractors Areas touched to be wiped down Discourage parents from entering the school building Reduce the amount of people accessing reception area at any one time Rearrange/remove furniture in reception area to facilitate social distancing. Provide alcohol-based sanitiser (that contains no less than 60 percent alcohol) at the school reception area 	<u>L</u>	<u>L</u>	<u>Mrs Churm / Mrs Fisher / Mrs Shiraz</u>		

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<ul style="list-style-type: none"> Assess the schools ability to follow T&W cleaning in school guidance, if unable to complete notify the Local Authority <p>As a result, reception staff are protected.</p>					
Poor hygiene practice – specific – office spaces.		<ul style="list-style-type: none"> Start and end times for administrative staff are staggered to support social distancing Ensure distancing is maintained between desks Tissues/hand sanitiser to be available in office locations Staff to wash hands on arrival at school Each individual is responsible for wiping down their own work area before and after use. Each individual responsible for wiping down equipment such as printers Assess the schools ability to follow T&W cleaning in school guidance, if unable to complete notify the Local Authority <p>As a result, office practice in office spaces limits the risk of the spread of any infection.</p>	<u>L</u>	<u>L</u>	<u>Mrs Churm / Mrs Fisher / Mrs Shiraz</u>		
Poor hygiene practice – specific - spread of potential infection at the start of the school day.		<p>In line with government advice:</p> <ul style="list-style-type: none"> Issue information to young people, parents, carers and visitors not to enter the school if they display any symptoms of coronavirus Issue information to parents about arrival and departure procedures, including safe drop-off and pick-up completed 20.5.20 	<u>L</u>	<u>L</u>	<u>Mrs Bishton / school staff in classes / Mr Towns</u>		

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<ul style="list-style-type: none"> • Inform each year group and their parents of their allocated times for the beginning and end of their school day – completed 20.5.20 • Inform each year group and their parents of the allocated entrance and exit points to school and where they should go on arrival completed 20.5.20 • Pupils to be supervised in accessing hand-washing facilities on arrival, ensuring that pupils queue while maintaining social distancing as they wait for facilities • All staff to wash hands on arrival in school • Make it clear to parents and pupils that they cannot congregate at the front of school prior to the start of the school day completed 20.5.20 • Issue information to pupils in relation to restrictions on their movement around the site completed 20.5.20 • Sufficient supplies of hand-washing supplies should be provided to accommodate this procedure at the start of the day. • Assess the schools ability to follow T&W cleaning in school guidance, if unable to complete notify the Local Authority <p>As a result, the risk of infection is reduced as pupils and staff arrive at school.</p>					

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
Poor hygiene practice – specific – toilet/changing facilities.		<ul style="list-style-type: none"> Staff to wear additional PPE when supporting pupils with toileting routines – mask, gloves, apron (see PPE guidance for schools) – not applicable All changing surfaces to be cleaned before and after each use – not applicable Nappies/soiled items to be disposed of in yellow bags – not applicable Staff to follow specific intimate care procedures – not applicable Any soiled clothes are put into a plastic bag (double bagged) and sent home. Restrict numbers of children using the toilets to ensure 2m social distancing is maintained Provide paper towels instead of blow dryers (less risk of aerosol) Prop doors open where possible to reduce hand contact surfaces Assess the schools ability to follow T&W cleaning in school guidance, if unable to complete notify the Local Authority <p>As a result, safe practices are followed and the risk of infection is reduced for staff and pupils.</p>	<u>M</u>	<u>M</u>	<u>All school staff / Mr Towns</u>		
Poor hygiene practice – specific - end of the school day.		<ul style="list-style-type: none"> Issue information to parents about departure procedures, including safe pick-up Inform pupils and parents of their allocated times for the end of their school day completed 20.5.20 	<u>L</u>	<u>L</u>	<u>Mrs Bishton / Mrs Churm</u>		

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<ul style="list-style-type: none"> Inform pupils and their parents of the allocated exit points and pick up points completed 20.5.20 Make it clear to parents and pupils that they cannot congregate at the front of school/in the playground prior to the end of the school day. If waiting to collect pupils, parents are to remain in cars and park safely completed 20.5.20 – no vehicle access between 8.30 and 3.30 to maintain safety with increased pupil flow. Make parents and pupils aware of government recommendations with regard to transport. Inform parents and pupils of restrictions and plans relating to school transport and potential road closures – not applicable Assess the schools ability to follow T&W cleaning in school guidance, if unable to complete notify the Local Authority <p>As a result, the risk of infection is reduced as pupils and staff leave school.</p>					
Ill health in school.		<ul style="list-style-type: none"> Staff are informed of the symptoms of possible coronavirus infection, <ul style="list-style-type: none"> ➤ A high temperature – this means they feel hot to touch on their chest or back (they do not need to measure their temperature ➤ A new continuous dry cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if they 	<u>L</u>	<u>L</u>	<u>Mrs Bishton / Mrs Churm / Mrs Watson/ Mrs Fisher / Mr Towns</u>		

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<p>usually have a cough, it may be worse than usual)</p> <p>➤ Loss of taste or smell.</p> <ul style="list-style-type: none"> • Appropriate PPE is sourced and guidance on its location, use and disposal issued to staff in line with government guidance on what to do if a pupil or staff member becomes unwell (see PPE guidance for schools) • All staff are informed of the procedure in school relating a pupil becoming unwell in school • Any pupil who displays signs of being unwell is immediately referred to Mrs Bishton / Mrs Churm / Mrs Fisher / Mrs Watson • Any staff member who displays signs of being unwell immediately refers themselves to Mrs Bishton / Mrs Churm / Mrs Fisher / Mrs Watson and is sent home (See guidance on Dealing with incidents at school) • Where the named person is unavailable, staff ensure that any unwell pupils are moved to an empty room whilst they wait for their parent to collect them. School admin team to contact parents. Parents advised to follow the COVID-19: Guidance for households, including accessing testing • If a pupil needs to use the bathroom, they should use a separate bathroom (one in main entrance) which will be cleaned after use. • Pupils displaying symptoms of coronavirus do not come in to contact with other pupils and as few staff 					

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<p>as possible, whilst still ensuring the pupil is safe. A facemask should be worn by the supervising adult if a distance of 2 metres cannot be maintained</p> <ul style="list-style-type: none"> • If contact with a child or young person is necessary, then gloves, an apron and a face mask should be worn by the supervising adult. If there is a risk of splashing, eye protection should also be worn • The relevant member of staff calls for emergency assistance immediately if the pupil's symptoms worsen • Unwell pupils who are waiting to go home are supervised in courtyard area / internal seating area adjacent where they can be at least two metres away from others • Areas used by unwell pupils who need to go home are identified as out of bounds, thoroughly cleaned and disinfected once vacated. • Following a suspected case head teachers should follow the guidance in appendix 2 • Assess the schools ability to follow T&W cleaning in school guidance, if unable to complete notify the Local Authority <p>As a result, any member of the school community who becomes unwell, is isolated quickly and appropriate action is taken to minimise the risk of infection.</p> <p>Use of inhalers – guidance from LA received 3.6.20 and shared with staff.</p>					

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<i>Your emergency salbutamol kits should be in place and ready for use if they are needed. We have had some questions about the reuse of the volumatic spacers. In the original guidance we advised you to wash, disinfect and reuse the volumatic but in the current circumstances when you are putting in place strict infection control procedures you may feel this not appropriate. I would therefore suggest that the volumatic once used is given to the child to take home and a replacement one is ordered.</i>					
Poor management of pupil numbers reduces the ability of pupils and staff to practice social distancing.	•	<ul style="list-style-type: none"> • Leaders to identify and communicate clearly to parents and pupils who is to attend and the times they are to attend – completed 20.5.20 • Leaders to calculate capacities of classrooms. Classrooms allocated for provision and arranged so that pupils can remain 2 metres apart where practicable completed 18.5.20 • Unlike older children and adults, early years and primary age children cannot be expected to remain 2 metres apart from each other and staff. In deciding to bring more children back to early years and schools, we are taking this into account. Schools should therefore work through the hierarchy of measures set out; <ul style="list-style-type: none"> ➤ Avoiding contact with anyone with symptoms ➤ Frequent hand cleaning and good respiratory hygiene practices ➤ Regular cleaning of settings 	<u>L</u>	<u>L</u>	<u>Mrs Bishton / Mrs Watson/ Staff in KS1 and EYFS hubs</u>		

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<p>➤ Minimising contact and mixing</p> <p>It is still important to reduce contact between people As much as possible, and we can achieve that and Reduce transmission risk by ensuring children, young People and staff where possible, only mix in a small, Consistent group and that small group stays away From other people and groups.</p> <ul style="list-style-type: none"> Where settings can keep children and young people in those small groups 2 metres away from each other, they should do so Timetable reviewed and refreshed and programme communicated to teachers and staff No more than 15 children in a class where space allows – Our capacity is 10 at its largest. Desks should be spaced as far apart as possible Where possible, pupil movement to be limited to make social distancing easier and specialist teachers to move between allocated classrooms Leaders to consider how best to supplement remote education with face-to-face support for pupils. <p>As a result, staff and pupils are clear about where they should be, the times that they should be there and what they are delivering.</p>					
Mental Health and Wellbeing for pupils	•	<ul style="list-style-type: none"> Where year groups are returning to school we would expect leaders and teachers to; 	M	M	School staff in hubs / Mrs Watson/		

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<ul style="list-style-type: none"> ➤ consider their pupils' mental health and wellbeing and identify any pupil who may need additional support so they are ready to learn ➤ assess where pupils are in their learning, and hence what adjustments to their curriculum may be needed over the coming weeks ➤ identify and plan how best to support the education of high needs groups, including disadvantaged pupils, and SEND and vulnerable pupils ➤ support pupils in year 6, who will need both their primary and secondary schools to work together to support their upcoming transition to year 7 			<u>Miss Bayliss</u>		
A pupil is tested and has a confirmed case of coronavirus.		<p>In line with government advice:</p> <ul style="list-style-type: none"> • The rest of the class/group should be advised to self-isolate for 14 days • The Head teacher will contact PHE. Then PHE's local protection teams to conduct a rapid investigation and will advise school on appropriate action. • See advice in Dealing with Incident procedure <p>As a result, school leaders taken appropriate action in the event of a confirmed case of coronavirus.</p>	<u>M</u>	<u>M</u>	<u>Mrs Bishton / Miss Cook/ Mrs Watson</u>		

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
Insufficient staff to run face-to-face sessions for pupils.	•	<ul style="list-style-type: none"> Leaders to ensure that they have a complete list of shielded and vulnerable adults for their school Protocols for staff to inform leaders if they need to self-isolate are clearly in place Leaders ensure there is a rota in place for cover in the instance that staff have to self-isolate. <p>As a result, sufficient staff cover in place to provide the face-to-face support sessions for pupils.</p>	<u>M</u>	<u>L</u>	<u>Mrs Bishton</u> <u>/ Mrs Watson/</u> <u>Miss Bayliss/ Mrs Churm</u>		
Pupil movement between lesson, at breaktime and lunchtime increases the risk of infection.		<ul style="list-style-type: none"> Staggered starts to be put in place for break time and lunchtime <One-way circulation> where possible to be put in place for pupils arriving and leaving shared lunch space/lessons – completed 20.5.20 Allocated outdoor areas for each year group to be identified for break time and lunchtime Lunchtime to be staggered for different year groups completed 20.5.20 / we are staggering year groups too in order to minimise the risk within year groups. Pupils advised not to play contact games at break time or lunchtime. Ball games and shared outdoor equipment to be prohibited Pupils to be supervised in washing hands before and after lunch 	<u>M</u>	<u>M</u>	<u>Mrs Bishton</u> <u>/ Mr Towns</u>		

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<ul style="list-style-type: none"> In canteen/eating spaces, consideration given to marking seats that can be used and removing other seating. Tables to be cleaned prior to use, between year groups and at the end of session Catering staff to maintain strict levels of hygiene in food preparation areas and follow whole staff guidance in reporting illness Pupils who bring a packed lunch, to eat in classrooms to reduce movement and maintain social distancing. Tables must be cleaned prior to lunch Assess the schools ability to follow T&W cleaning in school guidance, if unable to complete notify the Local Authority <p>As a result, the risk of infection during unstructured time is reduced.</p>					
Spread of infection in classrooms/shared areas.		<ul style="list-style-type: none"> All unnecessary items to be removed from classrooms and learning environments and stored elsewhere – completed 21.5.20 All soft furnishings and items that are hard to clean to be removed Class sizes reduced to ensure social distancing can be adhered to, with all desks 2m apart and group sizes not exceeding 15 – completed 21.5.20; our maximum class base is 10. 	<u>M</u>	<u>M</u>	<u>Mrs Bishton / Mr Towns/ All school staff</u>		

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<ul style="list-style-type: none"> Pupils to be directed to specific seats in classrooms and to maintain seats during the day as far as possible Tissues and hand sanitiser to be located in each classroom/learning space Bins to be emptied at least twice daily in classrooms. Contact with communal surfaces, such as door handles etc to be minimised. Doors to be kept open Where possible, windows to be opened to provide ventilation. Inform all the pupils that they must bring the required equipment to school (stationery, calculators etc) to reduce the risk of infection - completed 21.5.20 Pupils/staff to clean IT equipment (esp keyboards) with anti-bacterial wipes before and after each use Shared telephone handsets to be cleaned with anti-bacterial wipes before and after each use Shared teaching resources to be cleaned prior to and after use – we aim to not share resources between hubs or in class. Where this is the case, staff are to email MB with what they are using, the purpose of using it and what the control measures are. MB will then respond via email and a copy placed in the SMT resource folder. If any bodily fluids come into contact with classroom equipment, ensure that gloves are worn to remove the piece of equipment before it is thoroughly cleaned 					

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<ul style="list-style-type: none"> Guidance issued to staff on the use of the staff room and staff toilet area, including maximum numbers at any one time – Staff toilets are singles, with the exception of the female ones in the office, where social distancing needs to be observed. The staff room has been re-designed to allow only the recommended amount of staff for the space. Staff to be reminded to adhere to social distancing at all times – completed 20.5.20 Hand sanitiser to be in place at photocopiers/shared keyboards/telephones etc – designated member of staff given responsibility for photocopying and will clean area before use. Staff must wash and dry their own cups, plates and utensils, using disposable towels – staff advised to bring in own. Shared internal spaces, such as the hall, to be cleaned between each use and allowed to dry prior to the next group using it. – MB to oversee and complete 5.6.20 <p>Assess the schools ability to follow T&W cleaning in school guidance, if unable to complete notify the Local Authority</p> <p>As a result, the risk of infection to staff and pupils in classrooms is reduced.</p>					
Poor pupil behaviour		<ul style="list-style-type: none"> Pupils are reminded of the behaviour policy on their return to school 	H	M	<u>Mrs Bishton</u> <u>/ Mrs</u>		

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
increases the risk of the spread of the infection.		<ul style="list-style-type: none"> Sanctions (and how they will be applied in the context of social distancing) are clearly communicated to pupils and parents. Behaviour policy is adjusted as a consequence Pupils' individual behaviour plans are reviewed and specific control measures identified and shared with pupils and staff where necessary. Follow T&W PPE guidance <p>As a result, pupils and staff understand the behaviour policy/individual plans in context.</p>			<u>Watson/</u> <u>Miss</u> <u>Bayliss</u>		
Pupils with complex needs are not adequately prepared for a return to school or safely supported.		<ul style="list-style-type: none"> Specific arrangements for pupil transport have been risk assessed and agreed with local providers Leaders and staff should review individual pupils' handling plans, including the use of PPE (see PPE guidance) Additional advice should be sought from external agencies where appropriate in relation to moving and handling (physiotherapy, occupational therapy) Review individual communication plans where close proximity is expected e.g. on-body signing Plans should be understood, shared and followed consistently by all staff working with those pupils Prepare additional social stories to support pupils with autism / learning difficulties (highlighting changes to classrooms/arrangements/use of PPE, for example) and share with parents and pupils prior to pupils returning to school. 	<p><u>Not applicable</u></p> <p><u>Where there are children with significant learning difficulties, we will ensure that they are well prepared to return.</u></p>				

Risk Description/Area of Concern	Level of risk prior to control ↔	Risk Controls	Level of risk is now ↔	Likelihood ↔	Responsible person	Planned completion Date	Line Manager Check
		<ul style="list-style-type: none"> Follow T&W PPE guidance <p>As a result, pupils with complex needs are well supported.</p>					
Vulnerable pupils and pupils with SEND do not receive appropriate support.		<ul style="list-style-type: none"> Appropriate planning is in place to support the mental health of pupils returning to school Agree what returning support is available to pupils with SEND in conjunction with families and other agencies. <p>As a result, pupils with SEND and those concerned about returning to school are well supported.</p>	<u>M</u>	<u>H</u>	<u>Miss Gears / Mrs Hall</u>		
Increased number of safeguarding concerns reported after lockdown.		<ul style="list-style-type: none"> Agree safeguarding provision to be put in place to support returning pupils Ensure that key staff (DSL and deputies) have capacity to deal with any arising concerns Follow up any referrals made by staff swiftly, while maintaining social distancing. <p>As a result, safeguarding remains of the highest priority and practice.</p>	<u>M</u>	<u>H</u>	<u>Mrs Bishton / Mrs Watson/ Miss Baylis / Mrs Hall</u>		
Emergency evacuation due to fire etc.	•	<ul style="list-style-type: none"> Lockdown, fire and emergency evacuation procedures to be reviewed so that social distancing can be maintained Practice fire drill completed in first week Leaders to communicate procedures to all staff Staff to communicate emergency evacuation procedures to pupils at the beginning of each day. 	<u>L</u>	<u>L</u>	<u>Mrs Bishton / Mr Towns</u>

 <p>Telford & Wrekin C O U N C I L</p> <p>www.twccommercial.co.uk/educationalvisits</p>	Risk Assessment of the partial re-opening of Holmer Lake Primary school to YR, Y1 and Y6; including vulnerable children and those of critical workers.		
Benefits: - Why do we do this?	Carried out by: Mr Griffiths (SBM of Newdale Primary School) Reviewed: Mrs Bishton , Mrs Churm, Mrs Watson and Miss Baylis	Date: 19/5/202	Review date: to be reviewed on a regular basis.
	<p><u>Government guidance for school states:</u> “The safety of children and staff is our utmost priority” “The advice seeks to support staff working in schools, colleges and childcare settings, to deliver this approach in the safest way possible, focussing on measures they can put in place to help limit the risk of the virus spreading within education and childcare settings” “In education, childcare and social care settings, preventing the spread of the coronavirus involves dealing with direct transmissions (for instance, when in close contact with those sneezing and coughing) and indirect transmission (via touching contaminated surfaces). A range of approaches and actions should be employed to do this”.</p> <p><u>Government guidance for parents concerning re-opening of schools states:</u> “We have provided guidance and support to schools, colleges and childcare settings on implementing protective measures in education and childcare settings to help them <u>reduce the risk of transmission as more children and young people return.</u>”</p> <p>“Whilst such changes are likely to look different in each setting, as they will depend upon individual circumstances, they are all designed to minimise risks to children, staff and their families.</p> <p>Schools and colleges continue to be best placed to make decisions about how to support and educate their pupils during this period. This will include: Consideration of the pupils’ mental health and well-being</p> <p>Early years and primary age children cannot be expected to remain 2 metres apart from each other and staff. In deciding to bring more children back to early years settings and schools, we’re taking this into account. Schools should therefore work through the hierarchy of measures set above:</p> <ul style="list-style-type: none"> · Avoiding contact with anyone with symptoms · Frequent hand cleaning and good respiratory hygiene practices · Regular cleaning of settings · Minimising contact and mixing <p>....the risk will be lowered.</p>		

	<p>Where settings can keep children and young people in those small groups 2 metres away from each other, they should do so. While in general groups should be kept apart, brief transitory contact, such as passing in a corridor is low risk.</p> <p>Red texts are control measures from Government Guidance – Coronavirus (COVID-19); implementing protective measures in education and childcare settings published 11th May 2020</p>						
What are the hazards?	Who might be harmed and how?	Risk rating* L,M or H	What are we already doing? Actions to reduce risk	What further action is necessary?	By who m?	By when?	Done ?
Lack of social distancing in the classroom	Staff and children – direct transmission of the virus	H	<p>Reduce the number of children to no more than 10 to endeavour to adhere to social distancing.</p> <p>Modified teaching approach to keep a distance from children in the class as much as possible, particularly close face to face support (noting that it's understood that this is not possible at all times, which is why hygiene and hand cleaning is so important).</p> <p>Recommended approach if you need to talk with a child is to be alongside them as opposed to in front.</p> <p>Remove excess furniture to increase space</p> <p>Remove soft furnishings that would require additional cleaning e.g. cushions, soft toys</p>	Clear ongoing communication for all elements of this risk assessment so everyone is working consistently and clear on expectations.	RC	Ongoing in line with guidance.	

			<p>Explicit re-teaching of how to wash hands and its importance.</p> <p>Children to use the same desk for entire time their group is in school.</p> <p>Teacher and/or TA are assigned to these children and stay with these children as far as possible throughout the day. Where other members of staff are required to work with these groups, strict hygiene measures must be followed and social distancing measures adhered to.</p> <p>Children stay in the classroom for the majority of the day and do not mix with other groups.</p> <p>Children will be provided with individual equipment which is not shared with others and placed in their own individual storage container overnight.</p> <p>Doors and windows to be left open where possible to allow for ventilation.</p> <p>Any child or adult showing symptoms to be removed from the group and taken to the room near the courtyard (this is visible and has maximum ventilation to</p>				
--	--	--	--	--	--	--	--

			<p>the outside (medical room does not), SMT to be notified and follow Government guidelines around self-isolation for individual and entire group.</p> <p>Staff to be vigilant of children with SEND who may have an impaired ability to communicate if they're feeling unwell.</p>			
Lack of social distancing using toilets and poor hygiene	Staff and children – direct transmission of the virus	H	<p>Teachers to be vigilant of who goes to the toilet and only send 1 boy and 1 girl at a time.</p> <p>Plan for break time so that there are not too many children needing to go to the toilet to break.</p> <p>Staff members will need to check that the toilets are not occupied when sending pupils.</p> <p>Allocated toilets for different age groups – see map</p> <p>Importance of washing hands after visiting toilets revisited with teachers and TAs</p> <p>Toilets to be additionally cleaned after lunchtime.</p> <p>Extra stocks of soaps/paper towels to be held</p>			

			1 child in a toilet at any one time – there may be exceptions in urgent cases.				
Lack of social distancing waiting to enter classrooms in the morning	Staff and children – direct transmission of the virus	H	<p>Entrance points to school have been distributed across the points that are available. Exit route will be main gate – vehicle access will be reduced between 8.30 – 2.30 to allow for pedestrians moving across the car park.</p> <p>Staggered start/finish times for each age group will relieve pressure and reduce numbers on site</p> <p>There will be allocated different entrances to the school building for all groups for entry/exit</p> <p>Staff will man all entrances to help reinforce the social distancing rules.</p> <p>HT and SBM will assist at the main entrance point of school along with Site Manager.</p> <p>YR6 children to be encouraged to walk into school premises on their own from main gate</p>				
Lack of social distancing during playtime/lunchtime	Staff and children – direct transmission of the virus	H	<p>Staggered playtimes/lunchtimes – children to remain in smaller groups – we plan to send mixed</p>				

			<p>years out to minimise the children wanting to play with same aged peers who may be in their class.</p> <p>Reduced playground equipment – no use of outdoor for now</p> <p>Staff supervision throughout playtimes/lunchtimes</p> <p>Children to wash hands before and straight after breaks</p> <p>Children to exit/re-enter through classroom doors to playground to reduce use of corridors</p> <p>Children eating sandwiches to be seated in classrooms</p> <p>(If we return to serving hot dinners) Hot dinners to be served in school hall with social distancing taking place (Max 20 children in the hall at a time)</p> <p>Catering staff will hand cutlery, trays and plates of food to the children at the end of the serving station once all food on the plate. No salad bar in operation</p>				
Lack of social distancing in the corridors	Staff and children – direct transmission of the virus	H	Children staying in their classrooms and accessing outside from classroom door onto playground				

			<p>One child to the toilet at a time</p> <p>Messages to the Office via email where possible</p> <p>Only 1 group at a time to walk down to lunch hall singe file</p>				
	Pupil behaviour posing a risk by way of transmitting virus through refusal to stay in the classroom	H	<p>Separate risk assessments created for each pupil – shared with parents.</p> <p>Clear expectations shared. If pupil poses or creates flight risk in school, parents to be phoned immediately.</p> <p>Consider the use of part time placements for pupils who are struggling to adjust to the changes in routines. Each case would be dealt with individually and discusses with EHT / SMT/ Parents.</p>				
Appling MAPA to children	Staff and children – direct transmission of the virus through body contact	H	<p>Clear expectations shared. If pupil poses or creates situation where MAPA may need to be applied in school, parents to be phoned immediately.</p> <p>If MAPA has to be used, consider the use of PPE and the room for pupils to be taken to will be the room opposite HW classroom. Pupils to be collected from the side door adjacent.</p>				

			Consider the use of part time placements for pupils who are struggling to adjust to the changes in routines. Each case would be dealt with individually and discusses with EHT / SMT/ Parents.				
Contact of shared resources	Staff and children – direct transmission of the virus	H	<p>Children allocated individual items of stationary for use each time they are in school</p> <p>Plastic toys which have been used (if appropriate) to be cleaned each night.</p> <p>PE lessons to be taught with no shared equipment (see separate risk assessment).</p> <p>Door and windows left open during the day where possible</p> <p>Children and staff to wash hands regularly throughout the day</p> <p>Bins to be emptied 3 times per day to remove used paper towels from the classroom</p> <p>Contract cleaning team to give each classroom and contact points a thorough clean every evening after school</p>				

			Additional cleaning throughout the day to be completed and logged on log sheet.				
Staffroom usage/medical room and first aid.	Staff Children	H	<p>Staffroom will be sole staff use and the expectation around socially distancing remains. Staff will be recommended to bring in own cups etc.</p> <p>Breaks staggered so that there are less people in the staff room at once.</p> <p>First aid – where possible staff in the hubs deal with first aid and do not send to the office (though there might be exceptions). Medical room to be used for all injured EXCEPT symptoms of C-19.</p> <p>If anyone begins signs of symptoms of C-19, they need to be taken to the room by the courtyard and SMT/ First Aider informed. Medical packs are inside. Office call parents immediately and parent collects from office.</p> <p>Children not permitted to wear masks linked to DfE advice on children wearing masks.</p>

Covid - 19	Locations:	Holmer Lake Primary School – Embrace PE group	Date of Activity:	18/05/2020 onwards.
Specific Information	This is a Risk Assessment is for The Embrace Group Staff Working at a single setting (named above) and settings including working with several classes during the same day.			

Date of Assessment:	18/05/2020	Assessor Signature:	Mr Evitts Mr Edwards
Review Date:	May 2020	Print name:	Mr Evitts Mike Edwards

Risk	Controls	Actions	Risk Rating	Likelihood
Transmission of COVID-19.	Staff to limit the number of schools they attend in a week.	Staff are assigned one school maximum and are given a rota each half term of when they are attending. Any changes to the rota (due to staff sickness or unavailability) will be discussed with individual head teachers.	3	2
Transmission of COVID-19.	Staff Health.	Report any symptoms staff have themselves or people whom they live with to the Directors of The Embrace Group and follow government guidelines for testing and isolation.	3	1
Transmission of COVID-19.	Staff Uniform.	Staff are to wear a clean uniform at the start of each day. Should they come into physical contact with another person or are exposed to bodily fluids (through sneezing, coughing and vomiting for example) of a child or other adult during the day they must change their uniform, including trainers, and store in a sealed double plastic bag. At the end of each working day, staff are to return home immediately and wash their uniform.	3	1
Transmission of COVID-19.	Washing of Hands	Staff are to wash their hands before leaving home, on arrival to school and regularly through the day. This needs to be repeated when leaving school and returning home, including after the washing of uniform. The use of hand gel should be considered when handling equipment if there are no hand	3	1

		<p>washing facilities available. At the first opportunity, staff are required to wash their hands.</p> <p>Staff to discuss individual hygiene action plans with each individual setting that they deliver at and subsequently work under the direction of the most senior member of staff on site during their delivery.</p>		
Transmission of COVID-19.	<p>Pupil and staff Social distancing</p> <p><i>All reasonable efforts will be made to ensure social distancing guidelines are adhered to. It should be recognised that this will be the most challenging aspect to achieve in all education settings as a whole.</i></p>	Remind children at the start of each lesson about social distancing. Take all reasonable measures to keep children two meters apart during the lesson. Ask pupils to put their arms up so that nobody is within two arms lengths of them. If staff see anyone to be closer than two meters remind them and demonstrate the two meters.	3	1
Transmission of COVID-19.	Equipment	<p>Limit contact with sports equipment and plan activities that do not require equipment or large amounts of it. If using equipment is inevitable, limit the contact of equipment between pupils, clean all equipment after each lesson. Consider the ease of cleaning when selecting equipment. Equipment to be cleaned and waste disposed of with school products following government guidelines.</p> <p>When demonstrating staff to maintain social distancing and always use their own allocated piece of equipment.</p>	3	2
Transmission of COVID-19.	Pupils hygiene actions	Children wash their hands before and after each lesson. Speak to pupils about the importance of washing their hands and keeping their hands away from their face and mouth.	3	3
Transmission of COVID-19.	Social Distancing	Speak to children at the start of each lesson about social distancing. Get them to put their arms up so that nobody is within two arms lengths of them. If staff see anyone to be closer	3	2

		<p>than two meters as them to move further apart. Ensure children maintain distancing between each other and staff.</p> <p>Sports and activities must be delivered that can allow for social distancing and where possible outside. If the lesson is to take place indoors the class size must be reduced and time allocated to each group. When giving instructions ensure pupils maintain the 2 meter distance from other pupils and staff.</p> <p>If using equipment, allocate a piece of equipment to each pupil at the start of the lesson and ensure they use that for the entire lesson.</p> <p>The class is to be brought out to the lesson area and collected from the lesson area the by education professional working with the class.</p>		
Transmission of COVID-19.	COVID-19 Symptoms during lesson	Report any pupils with symptoms of COVID-19 to schools staff immediately and implement measures to isolate pupil from the group until they are collected by a appropriate school staff.		
Transmission of COVID-19.	Exposure to COVID - 19	Report any cases of COVID-19 reported in schools they work in to the Directors of The Embrace Group and follow government guidelines for testing and isolation.	3	1

The actions which have been listed above will be adhered to, in conjunction with the individual policies and plans of each school setting.

As The Embrace group, we will follow the most up to date Government guidance issued to schools and education settings. Therefore, this risk assessment is subject to change.

Signed on behalf of Education setting:

D. Davidson

Date: 22.05.2020
