

HOLMER LAKE PRIMARY SCHOOL

SEND Newsletter

November 2024

At Holmer Lake Primary School, our children are at the centre of everything we do. We aim to identify the needs of all pupils as early as possible. This is part of our graduated approach, in which we **Assess, Plan, Do, Review**. This ongoing cycle ensures that effective provision is put in place and removes barriers to learning. We have a range of interventions taking place daily in our school to meet the needs of all our children. We believe in **inclusivity** for all and strive to make this a reality for all our pupils.

SEND Review Meetings

This term, parents evening will be taking place on Tuesday 26th November. At this meeting, your child's **first SEND review** for this school year will take place. Your child's Autumn term targets will be shared (**Plan**) and the provision that has been put in place in order for your child to achieve their targets. (**Do**). Your child's class teacher will then discuss the outcomes of the targets (**Review and Assess**) and share next steps for the Spring term. At these meetings, it is a great opportunity to ask any questions and discuss any concerns you may have.

A copy of your child's Autumn 2024-2025 provision map will be sent home after this meeting.

SEND Parents Evening

On Wednesday 3rd December, I will be available to speak to parents who would like to discuss their child's needs further. These appointments are not just for parents whose child is on the SEND register but is for any parent who may have SEND concerns about their child. If you haven't already signed up for an appointment, please ring the school office.

Mrs Mahoney
SENCO

NDIASS are hosting a SEND Bitesize workshop at
come along and learn more about SEND in
offer you.

Coffee, Tea, Biscuits and Bacon Rolls are on us!

On Friday 6th December, PODS will be attending our Christmas Coffee Morning, 9.30 – 10.30am.

PODS (Parents Opening Doors) is a parent carer/peer led charity that supports parent carers who have children/young people (0-25 years old) with a disability and/or additional need. All PODS staff and volunteers have the 'lived experience' which helps to support the parent carers.

We are integral to the delivery of the PINS project in schools with aims to:

- give opportunities to ensure that parent carers have their voices heard by the school,
- bringing families together to share their experiences
- work in co-production.

These coffee mornings will help to create a community of support, understanding, and shared knowledge that empowers parents and carers to be active participants in their child's education and well-being.
